**FOR IMMEDIATE RELEASE**

## **CITY OF WARMAN WELCOMES NEW CITY MANAGER**

(*Warman, Sask.*) – Warman City Council is pleased to announce the appointment of Marty Baroni as the next City Manager for the City of Warman.

Mr. Baroni brings a blend of municipal governance and operational experience to the role. He served as Councillor for the Town of Kerrobert from 2006- 2010, before serving as the Assistant Administrator. Marty also worked for the Town of Biggar for over a decade, most recently serving as the Town’s Chief Administrative Officer.

"I am excited to take on this new responsibility and look forward to new opportunities for the City of Warman," said Baroni. "Warman is a remarkable community that is forward-thinking and strategically focused. I look forward to working with the Mayor and Council, and all our staff to continue to provide exceptional levels of service and achieve the priorities for the community."

Marty brings a collaborative “people-first” leadership style to the role and has a lofty, yet simple goal to positively influence the City as an employer and the city as a community; a goal that Council feels aligns with the City of Warman’s vision.

*Marty Baroni officially starts with the City in March.*

“Council felt Marty’s innovative ideas and municipal management experience will be a great fit for the City of Warman’s present and future,” said Mayor Gary Philipchuk. “We look forward to him joining and leading this passionate, dedicated team at the City of Warman.”

Council conducted a robust recruitment competition ahead of the impending retirement of Robert (Bob) Smith from the position, who enjoyed a successful 37-year career of municipal service.

Marty officially starts with the City on March 20, 2024.
